

Established in 1956, the NFLPA has a long history of assuring proper recognition and representation of players' interests. The NFLPA has shown that it will do whatever is necessary to assure that the rights of players are protected.

The NFL Players Association of Pittsburgh actively fundraises to award scholarships to students who aspire to attend college in any major. The goal of the Pittsburgh chapter is to award as many scholarships as possible.

The Pittsburgh Chapter is honored to award scholarships to students who meet academic criteria and have been a student athlete during their high school years. Students may not be children of former NFL players. Awardees are recommended by coaches, teachers, administrators or counselors. The Pittsburgh Chapter receives all scholarship applications. After careful review by an appointed committee, the top 10 applications are sent to the National NFL Players Association where a committee chooses the deserving recipients.
